Laughton Community Primary School

Premises Letting Policy

Policy reviewed July 2020, July 2022

Rationale

The Governing Body of Laughton Community Primary School regards the school buildings and grounds as a community asset and will make every reasonable effort to enable them to be used as much as possible, and is keen to see that the premises are used for the benefit of the whole local community. The education of children is the prime purpose of our school, however we believe education is a lifelong process which should be open and accessible to all.

Purpose:

The school's delegated budget (which is provided for the education of its pupils) will not be used to subsidise any lettings by community or commercial organisations. A charge will be levied to meet the additional costs incurred by the school in respect of any lettings of the premises. As a minimum, the actual cost to the school of any use of the premises by an outside organisation must be reimbursed to the school's budget share.

However, the overriding aim of the Governing Body is to support the school in providing the best possible education for its pupils, and any lettings of the premises to outside organisations will be considered with this in mind.

Guidelines

I. Responsibilities:

Overall control of the use of the school premises during and out of normal school hours is by the governing body. This is delegated to the School Business Manager. They will ensure that any other organisation providing activities or services on the school site have appropriate safeguarding and child protection policies and procedures in place where appropriate i.e. for regulated activity. Where a third party is responsible for running services on the school site, there should be clear lines of accountability and written agreements setting out the responsibility for carrying out the recruitment and vetting checks on staff and volunteers (*Safeguarding Children and Safer Recruitment in Education*, DES 2011).

It is the responsibility of the Business Manager, in conjunction as necessary with the Senior Designated Member of Staff for Safeguarding, to ensure that organisations wishing to let and/or use the school's facilities provide suitable documentation and written agreements to evidence that they are able to meet their obligations with respect to safeguarding and promoting the welfare of any children for whom the organisation takes responsibility; and therefore to meet the requirements of the governing body.

To fulfil their commitment to safeguard and promote the welfare of our children, all organisations that use our facilities for regulated activity (or work with our children) must have:

- Clear priorities for safeguarding and promoting the welfare of children, explicitly stated in their Safeguarding and Recruitment Policies which they should produce when asked to do so by the School;
- A clear commitment by the organisation's leaders to the importance of safeguarding and promoting children's welfare;
- A clear line of accountability and defined roles and responsibilities within the organisation for safeguarding and promoting the welfare of children;
- 'Safer recruitment' procedures, where appropriate, that take account of the need to safeguard and promote the welfare of children and young people, including arrangements for appropriate recruitment checks on new staff and volunteers as defined by law;
- Safe working practice guidance which staff/volunteers have read and understood;
- Procedures for dealing with allegations of abuse against members of staff and volunteers, where children may be involved in a group, including a named person to whom allegations and concerns are reported;
- Arrangements to ensure that all staff and volunteers undertake appropriate training to equip them to carry out their responsibilities effectively and that all staff and volunteers, including temporary staff and volunteers who work with children, are made aware of Laughton's arrangements for safeguarding and promoting the welfare of children and their responsibilities;
- Arrangements to work effectively with other organisations, where appropriate, to safeguard and promote the welfare of children, including arrangements for sharing information;
- Appropriate whistle-blowing procedures, and a culture that enables issues about safeguarding and promoting the welfare of children to be addressed.

Normally, external lets are not permitted before 4pm on any school day. Sample safeguarding policies can be provided to organisations on request. The above stipulations also apply to regulated activity with vulnerable adults. Volunteers/ organisations using the school site or facilities before 6pm are subject to the school's safe recruitment procedures and as such enhanced Disclosure and Barring Service (DBS) checks will be required for all persons; these details are required to be noted on the school's single list.

2. General Conditions and Administration

2.1 Applications for the use of school premises must be made to the Executive Headteacher, and responsibility or their approval is delegated by the School Governors. The person signing the application will be deemed to be the Hirer, and must accept responsibility for ensuring compliance with these conditions. No letting should be regarded as “booked” until approval has been given in writing. No public announcement of any activity or function taking place should be made by the organisation concerned until the booking has been formally confirmed.

THE HIRER MUST COMPLY WITH THE LAW OF THE LAND

2.2 Hirers will be informed in writing, at the time the application is approved, of the charge for the use of the facilities required. Documentation will set out full details of the letting and enclosing a copy of the terms and conditions and the hire agreement. The letting should not take place until the signed agreement has been returned to the school. Risk assessments will be shared.

Payment will be made in advance, at the time when letting is confirmed. If there is damage, or the need for caretakers/cleaners to work longer than expected after the letting, the Hirer will pay any subsequent account sent to him.

2.3 The school reserves the right to cancel any letting if the accommodation is required for urgent official or academic business. In these circumstances, the Hirer will be reimbursed his hiring fee.

2.4 Any intention on the part of the Hirer to cancel a letting must be notified to the Head of the School at least 24 hours before the letting is due to take place. In the event of the Hirer failing to give at least 24 hours’ notice, no reimbursement of hiring fee will be made and if preparatory works have already been undertaken the Hirer will bear the actual costs incurred.

2.5 The school Caretaker is normally expected to prepare for lettings, to do any necessary cleaning afterwards, and where the school require, to be in attendance throughout the course of the letting. No payment should be made direct to the Caretaker, since he/she will be paid by the school.

2.6 No structural alterations to school premises, fixtures or fittings will be permitted and notices must be fixed only to the boards provided for such use.

2.7 (a) The Hirer is responsible for providing supervision during the course of the letting and must satisfy the Head Teacher that the arrangements being made are adequate.

(b) The Hirer or his accredited representative must be in attendance at all times and must accept responsibility for any damage caused to the school grounds, playing fields, buildings, fixtures, fittings, furniture and equipment resulting from the letting. Every precaution must be taken to avoid such damage, and the Hirer will be required to meet the cost of making good any damage, however caused.

2.8 Hirers are responsible for arranging their own insurance for

- personal accidents;
- third party claims;
- any loss or damage to the school grounds, playing fields, buildings, fixtures, fittings, furniture and equipment resulting from the letting.

2.9 If it is intended to organise a public performance or entertainment, or performance of music, singing or dancing to which members of the public are admitted, Hirers are advised to consult the Executive Head Teacher in advance to ensure that the school premises are adequately licensed for the purpose before submitting a firm application.

2.10 Footwear which is likely to cause damage to school floors must not be worn. French chalk or its equivalent must not be put down when the hall is used for dancing.

2.11 Members of the public must not be admitted to the school premises after 10.00pm.

2.12 Alcoholic liquor must not be sold or consumed on the school premises unless specific approval has been given by the School Governors. If approval is given to the sale or consumption of alcoholic liquor, the responsibility for obtaining the necessary licence rests upon the Hirer.

2.13 School premises must be left clean and tidy after use.

2.14 Smoking and vaping are not allowed in any part of the School during the period of a let.

2.15 School Equipment: This can only be used if requested on the initial application form, and if its use is approved by the Executive Head Teacher. Responsible adults must supervise the use of any equipment which is issued and ensure its safe return. The Hirer is liable for any damage, loss or theft of school equipment they are using, and for the equipment's safe and appropriate use.

2.16 Car Parking Facilities: Subject to availability, these may be used by the Hirer and other adults involved in the letting.

2.17 Toilet Facilities: Access to the school's toilet facilities is included as part of the hire arrangements.

2.18: Opening & Closing Procedures

The Executive Head Teacher will be responsible for the authorisation of staff to open and close the school for Hall Lettings. Unless requested, or in exceptional circumstances, the school will open 15 minutes before and after the allocated booked hours for the letting. At no point, must the persons responsible for the Hall Lettings undertake additional work within the school that they might otherwise receive payment for within their normal working contracted hours.
